A leading American philosopher brings the tools of his trade to contentious contemporary debates. How can we have meaningful debates with political opponents? How can we distinguish reliable science from overhyped media reports? How can we talk sensibly about God? In *What Philosophy Can Do*, Gary Gutting takes a philosopher's scalpel to modern life's biggest questions and the most powerful forces in our society: politics, science, religion, education, and capitalism to show how we can improve our discussions of contentious contemporary issues.
