Eye Books, United Kingdom, 2010. Paperback. Book Condition: New. Second Edition, Second edition. 196 x 128 mm. Language: English . Brand New Book. When your Dad can crash his airplane into two water buffalo, life is unlikely to go according to plan. Even so, Emily Joy puts on her rose-tinted glasses, leaves behind her comfortable life as a doctor in Britain, and heads off for two years to a remote hospital in Sierra Leone. There she finds the oranges are green, the bananas are black, and her patients are very ill. There s no water, no electricity, no oxygen, no amputation saw--and Dr. Em is no surgeon. And there s no chocolate to treat her nasty case of unrequited love. Dr. Em s problems are tiny compared to those faced by the people of Sierra Leone on a daily basis. If they can remain so optimistic, what s Em s excuse? Our green doctor is a bit of a yellow-belly, often red-faced, trying to fight the blues. But green oranges give sweet orange juice. Never judge a fruit by its color.
