These exercises have for their purpose the strengthening of the weakened structures and also the improvement of the entire neuro-muscular function. The aim being to have the least diversion from the usual position stimulate the necessary tracts so as to produce instantaneous correction. For this reason I have called them Neuro muscular Exercises Done at the Word of Command. As to the support: Most corsets and belts looking to the straightening of the abdominal curve are thoroughly insufficient. It is impossible in order to support the abdominal wall to limit the counter pressure to the lumbar region. Two points of counter must be obtained and they must each be at as great a distance from the curve as it is possible to place them; one almost as low as the tuberosity of the ischium, and the other opposite the base of the spine of the scapula. The Wyoming, 55th Street and Seventh Avenue. Some time ago the medical organization opened its doors to men of all schools. But the organization press has not acted so kindly, for it fails to recognize those men who have been accepted as brothers. The Western Medical Times believes that if such men are entitled to membership in an organization they are also entitled to a voice in things medical. Because of this, this journal invites all men to become contributors to...
