F6 2010t OCLC Number: (OCoLC)729874666 Subject: Food security -- Developing countries. Excerpt: . . . 11 Through Feed the Future, we will also increase our investment in innovation. Simple technologies like cell phones can help farmers learn the latest local market prices, conduct mobile banking, know in advance when a drought or a flood is on its way, and learn about new seeds that can help corn grow in drought conditions. Given the potentially enormous return on investment, Feed the Future will invest in approaches that confront significant threats to food production, such as crop and livestock diseases, the decline in soil fertility, and the challenges of climate change. Sixth, our approach will focus on results, and on progress that can be sustained over time. At each link in the agricultural chain we will work with our partners to strength-en in-country capacity, create sustainable practices, and put into place account-ability mechanisms that measure the impact of our investment. We will keep in mind that the right thing to do in one...
