By Edward Salazar

Whimsical Publications, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.By society s standards, Christopher John Salazar wasn t very significant. He wasn t famous; he wasn t a political figure; he wasn t a scholar. In fact, he never graduated from college. To his family and friends, he was very significant and an amazing human being, son, and a devoted father. So how did he die after 18 days of steady progress in an intensive care unit, in the care of trained professionals? This is a true story as told by the father of Christopher, about how a hospital got away with a free kill through a little know law in the state of Florida. About the Author: Ed Salazar, RRT, CPFT, RPSGT At the time of this writing, I have been a respiratory therapist for over 40 years. I relocated from Adrian Michigan to South Florida in 1972 to attend Broward College to study respiratory therapy technology. From the time I graduated in 1974 until today, I have served as a staff therapist, shift supervisor, assistant director, and technical director for various cardiopulmonary services in...
