*An extremely great ebook with perfect and lucid answers. This is certainly for anyone who states that there was not a well worth looking at. It has been designed in an exceptionally simple way and is particularly only soon after I finished reading through this ebook in which actually transformed me, modify the way in my opinion.*

## **NATIONAL POLITICS AND EUROPEAN INTEGRATION: FROM THE CONSTITUTION TO THE LISBON TREATY (HARDBACK)**

Edward Elgar Publishing Ltd, United Kingdom, 2010. Hardback. Book Condition: New. 238 x 152 mm. Language: English . Brand New Book. This well-documented book discusses the domestic politics of treaty reform in the European Union, from the failed referendums on the Constitutional Treaty held in France and the Netherlands in May-June 2005 to the initial rejection of the Treaty of Lisbon in Ireland in June 2008. The chapters, written by some of the finest scholars in the field of EU/European politics, show how European integration has increasingly become a contested issue in a majority of Member States. Going beyond the view that national governments are the main, if not the sole, driving force in the process of European integration, this book shows that other actors and factors have played a central role in preference formation and inter-state bargaining. These include: political parties, public opinion, the media, presidents, constitutional courts and, more broadly, political systems, ratification hurdles and the general negotiation context. National Politics and European Integration combines empirical analysis and theoretical explanations for one of the most controversial periods in the history of the European Union. This important book will be of great interest for advanced students in EU studies, comparative politics and public policy.
