Quirky and romantic, *Stay Close, Little Ghost* is an ecstatic debut novel flecked with fever dream fairy tales: a girl with no eyes scratching personal messages into the walls of the subway tunnel, a woman whose running mascara streaks over her body as she fades into a shadow on the wall, a missing child seen swimming across a lake bottom, a lost secret city where love is like tasting the real thing after tasting the fast food version for your entire life, a house whose painted landscape and sky walls erupt into a blizzard, magic glasses that translate languages and see inside people, a map of all the four-leaf clovers in the city, miraculous diamonds that hold the key to any question in the world, and a little wolf that lives inside the stomach of the narrator. Against this fantastic backdrop, a wonderfully flawed mathematician unravels as he collides with the most famous open problem in modern computer science. The result is a love story unlike anything else. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
