These outstanding features indicate how similar the financial history of Texas has been to that of many other states, although in other respects considerable differences have existed between the economic history of Texas and many states farther north. The increasing unanimity of the historical verdict suggests that there are certain directions in which uniformity of procedure and organization in our state governments is fundamental. It is to be hoped that such admirable historical studies as the one under review may clear the way for a speedier consummation of this needful uniformity in state financial affairs. H. L. Lutz.
