Markelle Media, United States, 2012. Hardback. Book Condition: New. Karen Wolcott (illustrator). 284 x 216 mm. Language: English . Brand New Book. Heidi Klum loves this book! A great bedtime read for the little ones! Camellia Azalea Gardenia Bloom thinks she knows everything about being a flower girl. She can dance down the aisle, smile in a special way, and drop petals in a perfect path behind her. There s only one problem Cami has never been in a wedding before. That changes when her Aunt Bella pops the question and asks Camellia to be her flower girl. Cami is thrilled, until she discovers there will be two other girls joining her down the aisle. Now this little girl has a big dilemma: should she force the other girls to play by her rules or join in the fabulous flower girl fun? Featuring diversity, humor, and beautiful illustrations, the Flower Girl World children s book series highlights themes of friendship, leadership, acceptance, growing up, and girl power. Blogger Melissa Glynn of Julia s Bookbag says, I think girls would just FLIP over this series! I love the message, which does not center around dressing up and looking pretty. The stories focus on friendships, on finding confidence in one s abilities, and on doing what you can to assist others. This children s picture book is a celebration of flower girl fun and will appeal to any young girl ages 3-8, whether or not she is a flower girl in a wedding. If she is in a wedding, it makes the perfect flower girl gift! Look for more books in the Flower Girl World series: Rosie and the Wedding Day Rescue Iris and the Aloha Wedding Adventure.
