## Following Muhammad: Rethinking Islam in the Contemporary World

By Zachary Smith Professor Department of Religious Studies  
Carl W Ernst

University of North Carolina Press, United States, 2004.  
Paperback. Book Condition: New. 206 x 135 mm. Language:  
English . Brand New Book. Avoiding the traps of sensational  
political exposes and specialized scholarly Orientalism, Carl  
Ernst introduces readers to the profound spiritual resources of  
Islam while clarifying diversity and debate within the tradition.  
Framing his argument in terms of religious studies, Ernst  
describes how Protestant definitions of religion and anti-  
Muslim prejudice have affected views of Islam in Europe and  
America. He also covers the contemporary importance of  
Islam in both its traditional settings and its new locations and  
provides a context for understanding extremist movements like  
fundamentalism. He concludes with an overview of critical  
debates on important contemporary issues such as gender and  
veiling, state politics, and science and religion.
