SHELLS OF THE WORLD COLOURING BOOK

Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 274 x 206 mm. Language: English . Brand New Book. Mollusks build colorful shells around themselves for camouflage and defense, to warn or attract; shells attract men to collect and value them, as means of exchange or as ornament, as pearl producers and as a source for the colony royal, purple. But purple doesn't begin to exhaust the seashell's regal spectrum; anyone who has looked into a conch...
