*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Prepared for the Senate and House Committees on Civil Service. INTRODUCTION. The civil-service law has now been in operation over a quarter of a century. Passed by a Republican Congress, it was sternly upheld by a Democratic President. The best men of both parties have been its disinterested supporters. Its beneficent effects have been felt throughout the public service and few will be found to dispute them. NEED OF PLAN FOR RETIRING SUPERANNUATED CIVIL EMPLOYEES. There is one problem of the service, however, that the law has not solved, and that is the problem of superannuation. Without provision for retirement of the aged officeholder a law which in practical operation insures him a permanent tenure of office works an injustice to the Government, since it permits the retention in the service of many who have outlived their usefulness. It is true that the law does specifically provide for the removal of the incompetent on the proper record of the existence of incompetency, but such a provision has proved to be inadequate where incompetency is the result of old age. That part of the law is practically a dead letter, as is acknowledged in the following paragraph found in the Nineteenth Report of the Civil Service Commission. It has been urged by opponents of the competitive system that that system, by securing comparative permanence of tenure, tends to promote...
