Filesize: 6.03 MB

### ***Reviews***

*The book is straightforward in go through easier to recognize. it was actually writtern extremely perfectly and useful. I am very happy to explain how this is actually the greatest publication i have read through within my individual life and might be he finest ebook for actually.*  
*(Gladys Conroy)*

## UNDERSTANDING PATHOLOGICAL DEMAND AVOIDANCE SYNDROME IN CHILDREN: A GUIDE FOR PARENTS, TEACHERS AND OTHER PROFESSIONALS

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Understanding Pathological Demand Avoidance Syndrome in Children: A Guide for Parents, Teachers and Other Professionals, Margo Duncan, Phil Christie, Ruth Fidler, Zara Healy, Pathological Demand Avoidance Syndrome (PDA) is a developmental disorder that is being increasingly recognised as part of the autism spectrum. The main characteristic is a continued resistance to the ordinary demands of life through strategies of social manipulation, which originates from an anxiety-driven need to be in control. This straightforward guide is written collaboratively by professionals and parents to give a complete overview of PDA. Starting with an exploration into the syndrome, it goes on to answer the immediate questions triggered when a child is first diagnosed, and uses case examples throughout to illustrate the impact of the condition on different areas of the child's life. Early intervention options and workable strategies for managing PDA positively will make day-to-day life easier for the child, their family and peers. New problems faced in the teenage years and how to assist a successful transition from adolescence to adulthood are also tackled. The book concludes with a valuable resources list. Full of helpful guidance and support, this user-friendly introductory handbook is essential reading for families, carers and anyone who knows a child with PDA.
