BITE: THE BEGINNING OF THE BITE SERIES

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Take a tour of unseen Vegas -- the dirty underworld only the dead can see. What would you do if your career began with promise, if your plans for life seemed well on their way, but, due to your own mistakes, the bottom suddenly dropped out? What if that clean, prosperous, happy family life was lost, and you were left to slide deeper and deeper into the underground, each strange job more obscure and bizarre than the next? Where would you land? How long could you stomach that world? Could you do the kind of job that others fear or don't believe exists? Sylvester Cole can. He has for too many years, and now he wants out. Long ago on track to become a literature professor, Sylv made one big mistake, and he's paid for it since. Maybe he's made himself pay. He's not exactly sure. But one thing is certain, now in his mid-fifties, he's had enough. He's saved up his cash and gold. He's bought a plane ticket out of Vegas, and he's ready to retire. Sylvester Cole wants one chance at life. Because Sylvester Cole is sick of re-killing the dead. But when Sylv wanders into his favorite watering hole to say goodbye to his friends of convenience, he's confronted with an opportunity of a different sort: a girl, who just might give him that chance to snatch life and love out of the hands of fate - by re-killing one last time. Bite is a noir novella that brings you back to what horror is all about: emotional, psychological, spiritual stakes. Its voice is real,...
