

Serendipities: Language and Lunacy

Filesize: 5.12 MB

Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

(Blair Monahan)

SERENDIPITIES: LANGUAGE AND LUNACY

DOWNLOAD

Columbia University Press. Paperback. Book Condition: new. BRAND NEW, Serendipities: Language and Lunacy, Umberto Eco, William Weaver, Best-selling author Umberto Eco's latest work unlocks the riddles of history in an exploration of the "linguistics of the lunatic," stories told by scholars, scientists, poets, fanatics, and ordinary people in order to make sense of the world. Exploring the "Force of the False," Eco uncovers layers of mistakes that have shaped human history, such as Columbus's assumption that the world was much smaller than it is, leading him to seek out a quick route to the East via the West and thus fortuitously "discovering" America. The fictions that grew up around the cults of the Rosicrucians and Knights Templar were the result of a letter from a mysterious "Prester John"--undoubtedly a hoax--that provided fertile ground for a series of delusions and conspiracy theories based on religious, ethnic, and racial prejudices. While some false tales produce new knowledge (like Columbus's discovery of America) and others create nothing but horror and shame (the Rosicrucian story wound up fueling European anti-Semitism) they are all powerfully persuasive. In a careful unraveling of the fabulous and the false, Eco shows us how serendipities--unanticipated truths--often spring from mistaken ideas. From Leibniz's belief that the I Ching illustrated the principles of calculus to Marco Polo's mistaking a rhinoceros for a unicorn, Eco tours the labyrinth of intellectual history, illuminating the ways in which we project the familiar onto the strange. Eco uncovers a rich history of linguistic endeavor--much of it ill-conceived--that sought to "heal the wound of Babel." Through the Middle Ages and the Renaissance, Greek, Hebrew, Chinese, and Egyptian were alternately proclaimed as the first language that God gave to Adam, while--in keeping with the colonial climate of the time--the complex language of the Amerindians in Mexico was...
