

The Willpower Instinct: How Self-Control Works, Why It Matters, and What You Can Do to Get More of It

Filesize: 6.43 MB

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

Avery. Hardcover. Book Condition: New. Hardcover. 288 pages. Dimensions: 9.1in. x 6.2in. x 1.1in. Based on Stanford University psychologist Kelly McGonigals wildly popular course The Science of Willpower, The Willpower Instinct is the first book to explain the new science of self-control and how it can be harnessed to improve our health, happiness, and productivity. Informed by the latest research and combining cutting-edge insights from psychology, economics, neuroscience, and medicine, The Willpower Instinct explains exactly what willpower is, how it works, and why it matters. For example, readers will learn: Willpower is a mind-body response, not a virtue. It is a biological function that can be improved through mindfulness, exercise, nutrition, and sleep. Willpower is not an unlimited resource. Too much self-control can actually be bad for your health. Temptation and stress hijack the brains systems of self-control, but the brain can be trained for greater willpower. Guilt and shame over your setbacks lead to giving in again, but self-forgiveness and self-compassion boost self-control. Giving up control is sometimes the only way to gain self-control. Willpower failures are contagious--you can catch the desire to overspend or overeat from your friends--but you can also catch self-control from the right role models. In the groundbreaking tradition of Getting Things Done, The Willpower Instinct combines life-changing prescriptive advice and complementary exercises to help readers with goals ranging from losing weight to more patient parenting, less procrastination, better health, and greater productivity at work. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
