THE YELLOW WORLD: TRUST YOUR DREAMS AND THEY LL COME TRUE

Penguin Books Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. Albert Espinosa never wanted to write a book about surviving cancer, so he didn't. He wrote a book instead about the Yellow World. What is the yellow world? The yellow world is a world that's within everyone's reach, a world the colour of the sun. It is the name of a way of living, of seeing life, of nourishing yourself with the lessons that you learn from good moments as well as bad ones. It is the world that makes you happy, the world you like living in. The yellow world has no rules; it is made of discoveries. In these 23 Discoveries Albert shows us how to connect daily reality with our most distant dreams. He tells us that losses are positive, the word pain doesn't exist, and what you hide the most reveals the most about you. Albert Espinosa has won several battles with death, which is why his stories are so full of life. He is powerful because he never gives up. And as a last resort he bargains: he swapped a leg and a lung for his life. He has learnt how to lose in order to win. He's hyperactive and prefers losing sleep to losing experiences. If you want to tell him something it has to be very good or told very fast. He loves to provoke people but he does it to make provocations seem normal. His greatest hope is that after you have read this book you will go off in search of your yellow world. Albert Espinosa is a bestselling author. At the age of thirteen, Albert was diagnosed with cancer, an event that...
