An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Crimson Romance, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Tragedy tore Wynter and Sam apart before he could tell her how he felt about her. Twelve years later, fate dropped her off on his doorstep, widowed, desperately broke, and very pregnant. Sam has spent his entire adult life trying to forget Wynter, and here she was, ready to collect on a promise he'd made when he was young and in love. His sense of honor dictated that he take her in when she needed him most. It was only temporary, after all. But living under the same roof quickly led to old feelings resurfacing. Now the one person he'd wanted to leave behind is the one person he can't let go. She knew seeing her reminded Sam of everything he'd lost, but Wynter had no choice. If she were going to make it back to Scallop Shores to raise her baby, she needed his help. Only she hadn't counted on the long winter nights or getting reacquainted with a childhood friend she'd loved like a brother - a friend who'd grown into a man she found herself wanting to get to know on a whole different level. Delivering Wynter's baby at home during a fierce snow storm forces Sam to fill in as temporary dad. It's a role he'd gladly make permanent. Too bad the one place Wynter is determined to raise her daughter is the one place Sam swore he'd never step foot in again. Had he gotten a second chance to tell her he loved her only to lose her again? Or is this time for keeps? Sensuality Level: Sensual.
