This item is printed on demand - Print on Demand Neuware - Essay from the year 2009 in the subject Philosophy - Philosophy of the Ancient World, , language: English, abstract: In 'Politics' by Aristotle and 'Republic' by Plato, two different conceptions of the state, justice, and political participation present themselves. The two philosophers living in Greece disagreed on many things and approached the same ideas in very different ways. In this paper, I will prove that Plato cannot accept Aristotle's claims that all states are natural and all citizens are capable of participating in politics if he is to preserve his own philosophy on state and politics as defined in 'Republic'. In Book I of 'Politics', Aristotle describes how the state came into being and makes the claim that all states are natural. He reaches this conclusion by examining essential human relationships in their simplest form. In the human world, there is a natural pairing of those dependent on one another for survival, two such relationships are the master-slave and male-female pairings. The female is paired with the male for the sake of reproduction, the survival of...
