

PeaceMaker Domain Chronicles Book 1

By Dan Ronco

Paperback. Book Condition: New. Paperback. 288 pages. While working on the next release of the Atlas operating system, I discovered PeaceMaker, a lethal computer virus enhanced with artificial intelligence, and I have decided to do everything in my power to defeat it and expose the people who developed it. Im scared, and I thought about walking away from it. I cant do that. Since you received this message, I must have failed. Im getting ahead of myself. Heres the story. Humiliated by the federal government in an anti-trust trial that tore apart her software company, CEO Dianne Morgan has become obsessed with a plan to unleash PeaceMaker and shut down computer systems across the world. She is determined to crush the global economy unless the nations of the world agree to share power with the Domain, the clandestine organization she leads. She recruited some of the best computer scientists in the world into the Domain and these people developed PeaceMaker. Before we go any further, I have to admit Dianne and I were lovers several years ago, and she left me because I could not control my drinking problem. I have been clean for six years and I attend AA...
