Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Quinnton Tote-Simpson s childhood was one of halcyon days and rural bliss. But from the idyllic country house and the realities of prep and public school emerges a truly unfinished young man. From there to manhood, Quinn s journey merely continues the flawed formation of a damaged human soul. As the protective envelope of youth opens to the first footsteps of adult life, Quinn finds himself in a world beyond worlds, an alien territory filled with excitement and temptation, torment and fantasies of love. With a carefree joi-de-vivre that can only run him into a wall, he tries to drop out, be cool and fit in with the out crowd . If he can only keep his head above the flotsam for long enough, before self-indulgence and the colorful chaos of life begin to grind him down, then he might just survive. Quinn does not do life, though Life, it seems, has every intention of doing Quinn.
